KIDDER'S DIOFOLLENV

A POTENT REMEDY FOR

Indigestion, Acute and Atonic Dyspepsia, Chronic and
Gastro-intestinal Catarrik, vomiting in Frequency, Choiera infantum, and in convalescence from Acute Diseasea.
Over 5,000 physiclans have sent to us the most flattering opinions upon Digestylin as a remedy for all diseases
arising from improper digestion.
For 20 years we have manufactured the Digestive Ferments expressly for Pil Yaicla ANS use, and for the past
year Dittervitin has been by them extensively prescribed, and to-day if stands without a rival as a digestive agent. It is not a secret remedy, but a scientific
preparation, the formula of which is plainly printed on
each bottle. Its great Dittervity FOWER is created
by a careful and proper treatment of the ferments in
manufacture. It is very agreeable to the laste, and acceptable to the most delicate stomach. For the relability of our statements we would respectfully refer to
all Wholessels and Retail Druggiats, and I'W Sichans
generally. Frice Si.00, 80d by Druggiats, 17, N. Y.
